In addition to writing many of the band's moms, Stills played bass, guitar and keyboards in debut album. The album sold over four million copies and at that point had outsold anything from the three members' prior bands: the Byrds, Buffalo Springfield, and the Hollies. The album won the trio a Grammy Award for Best New Artist. Stills's first solo album, Stephen Stills, earned a gold record and is the only album to feature both Jimi Hendrix and Eric Clapton. Its hit single "Love the One You're With" became his biggest solo hit, peaking at number 14 on the Billboard Hot 100.[7] Stills followed this with a string of solo albums, as well as starting a band with Chris Hillman called Manassas in 1972. In the summer 1974, Young reunited with CSN after a four-year hiatus for a concert tour that was recorded and released in 2014 as CSNY 1974. It was one of the first stadium tours and the largest tour the band has done to date.[8] CSN reunited in 1977 for their album CSN, which became the trio's best-selling record. CSN and CSNY continued to have platinum albums through the 1980s. Early years Stills was born in Dallas, the son of William Arthur Stills (1915¢ÃÂ1986) and Talitha Quintilla Collard (1919¢ÃÂ1996).[9][10] Raised in a military family, he moved around as a child and developed an interest in blues and folk music. He was also influenced by Latin music after spending his youth in Gainesville and Tampa, Florida, as well as Covington, Louisiana, Costa Rica, the Panama Canal Zone, and El Salvador. Stills attended Admiral Farragut Academy in St. Petersburg, Florida and Saint Leo College Preparatory School in Saint Leo, Florida,[11] before graduating from Lincoln High School in Costa Rica. When he was nine years old, he was diagnosed with a partial hearing loss in one ear. The hearing loss increased as he got older.[12] Stills dropped out of Louisiana State University in the early 1960s. He played in a series of bands, including the Continentals, which then featured future Eagles guitarist Don Felder. A second album, Buffalo Springfield Again, was released in late 1967 and featured Bluebird and "Rock And Roll Woman". In May 1968, the band separated for good, but contractual obligations required the recording and release of a final studio album, Last Time Around. The album was mainly composed of tracks established earlier that year. A song by Stills from her debut album, "Sit Down, I Think I Love You", was a minor hit for Mojo Men in 1967. [15] After the disintegration of Buffalo Springfield, Stills played in half of the Super Session album with Al Kooper in 1968, including a cover of Donovan's "Season Of The Witch" which received a heavy radio game in progressive FM radio formats. Mike Bloomfield was due to playing the entire album, but failed to appear for the second day of recording. The album sold well and reached number 12 on the US charts, while it was certified Gold in December 1970. [16] Crosby, Stills, Nash & Young (1969-1970) In late 1968, Stills joined David Crosby of Byrds and Graham Nash of The Hollies to form Crosby, Stills & Nash. Several of Stills' songs on the group's debut album, including "Suite: Judy Blue Eyes" and "You Don't Have To Cry", were inspired by her relationship again with singer Judy Collins. The album reached number 6 on the US charts and was certified quadruple platinum. Stills dominated the recording of the album. Crosby and Nash played guitar on their own songs, respectively, while drummer Dallas Taylor played on four tracks and drummer Jim Gordon in a fifth. Stills played all parts of bass, organ and guitar, as well as acoustic guitar on their own songs. "The other types do notbeing offended when I say one was my baby, and I had Tracks in my head, "said Stills. The Quartet Crosby group, Stills, Nash & Young, (initialized as CSNY). Both singles lost the US Top 40, beating 43 and 42 respectively, while the is the number 8 in the charts. This is a member certified only one moms apart. Although "Change Partners" was written before the CSN has graduated, Nash saw this as a methage for many CSNY relationships.
